EDUCATION

Carnegie Mellon University

Graduated 2013 / Pittsburgh, PA
BFA in Industrial Design & Human Computer Interaction

YCombinator

January - May 2013 / Mountainview, CA
Incubator participant in Winter 2013 batch for PayTango

EXPERIENCE

YouTube, UX Designer

August 2013 - Present / San Bruno, CA
Designing video advertising tools and new ad experiences for viewers on YouTube.
Previously designed features for the cross-platform playlist experience.

PayTango, Co-founder + CPO

August 2012 - June 2013 / Mountainview, CA
YCombinator backed startup specializing in biometric payments. Developed terminals that allowed users to associate credit cards to their fingerprint and pay with a single touch.

HCI Senior Capstone Project, Project Lead

Spring 2013 / Carnegie Mellon HCI
Led a team of four other students to develop a mobile app for the partnership between PayTango and CMU's Housing + Dining.

YouTube, UX Design Intern

May 2012 - August 2012 / San Bruno, CA
Designed the subscription collections experience and contributed to the major site redesign, which was in-progress during that time.

Mine Safety Appliances, Design Intern

May 2011 - August 2011 / Pittsburgh, PA
Worked on a firefighter location system project, a product line designed to monitor the position and equipment status of on-scene firefighters.

ACTIVITIES

Co-President, Industrial Designers Society of America - CMU Chapter
Student Advisor, Carnegie Mellon HCI Institute
TA, Freshman Design Studio
